What Does Turn-Key Mean?

The 18" electric hose reel and the Vanguard 160 electric start engine are **PRE-WIRED** to the on-board, lead-acid 12v battery. This **battery is RECHARGED** by the Vanguard engine while the sprayer is operating.

- **No wiring to your truck**
- **Completely portable**
- **Minimizes potential electrical issues**

Also available with P550 Pump/Honda GX390
