

GNC Industries, Inc. is seeking qualified applicants for an **ASSEMBLY TECHNICIAN** full-time position. We are seeking a skilled individual to efficiently put together components of our products by following detailed instructions and specifications, using hand tools and machinery to ensure the final product meets quality standards, often performing quality checks throughout the assembly process.

GNC Industries is committed to a quality work environment and experience by providing the following benefits in addition to compensation:

- Employee medical & life insurance paid by the company after 60 days of employment
- Paid holidays, sick days, PTO, and vacation days after 90 days of employment
- HSA contributed to by GNC
- IRA contribution
- Dental Insurance

#### DUTIES AND RESPONSIBILITIES

Our assembly technicians are responsible for installing, repairing, and maintaining all our agro-economic products and equipment. They ensure that all parts and components are in proper working order and that the machines are in good condition. They also troubleshoot any problems that may arise with the equipment. You must have the ability to work independently and follow safety regulations at all times.

#### SKILLS

Collaborate effectively with other team members, attention to detail to follow directions thoroughly, ability to work quickly and efficiently while performing repetitive tasks, ability to be self-motivated & strength to lift heavy items, reading and following basic diagrams, drawings, specifications, bills of material, and instructions to accurately assemble components into finished products.

#### QUALIFICATIONS

Experience in an assembly role preferred. Must possess or be willing to maintain a forklift certification. High school diploma or equivalent.

#### APPLICATION PROCESS

To be considered for this position, applicants should apply at <https://www.gncindustries.com/positions-available>, email a resume to [admin@gnci.org](mailto:admin@gnci.org), or apply in person.
